ECSTAR

GENUINE OIL & CHEMICAL

For Suzuki Distributors / Suzuki Dealers

This booklet will help you to identify suitable genuine oil and chemical products for maintaining and servicing Suzuki vehicles. Genuine oil and chemical products meet the technical specifications (quality, performance, reliability, etc.) as specified in the Suzuki owner's manual and service manual. We recommend to choose them to provide quality and reliable service to your customers.

Notice: For usage of items in detail, please refer to the applicable owner's manual and service manual.

What is ECSTAR?

In the 1980's , Suzuki started the development of lubricants in pursuit of ultimate performance. The lubricant is named "ECSTAR" as it is our guiding "Star" towards an "Ecstatic" performance. As the expectation towards our products evolves, the same attention to performance is required for durability and environmental protection. With the high technology cultivated through its long history and dedicated engineering, Suzuki has precisely re-formulated "ECSTAR" to satisfy and exceed these requirements.

In 2015, ECSTAR has been started as the global brand name of Suzuki Genuine Oil & Chemical.

By enchancing and drawing out the best performance, "ECSTAR" will give you a Suzuki experience that others could not.

MOTORCYCLE

Motorcycle engines are different from automobile engines in structure. Unlike automobile, the motorcycle engine is integrated with the transmission gear and clutch. In other words, all these parts share the same oil inside the engine to lubricate the components. As motorcycle engine oil is used in such severe condition compared to automobile, the use of engine oil exclusive for motorcycle is highly recommended.

WHAT IS JASO MA?

Standard provided by the Japanese Automotive Standard Organization to certify the grade of motorcycle 4-stroke engine oil. ECSTAR engine oil meets JASO MA specifications for optimal wet clutch performance.

WHAT IS API?

Standard provided by the American Petroleum Institute to certify the engine oil quality and performance. The latest classification among the twelve is SN, which was introduced in 2010.

Replacement Guideline

Interval 1st 1000 km or 2 months from 2nd time 6000 km or 1 year

* Engine oil degrades over time even if the vehicle is not driven for a long distance. We recommend to change the oil at the adjacent intervals (whichever comes first). The guideline varies by model, condition of use and location, etc. Please refer to the owner's manual or ask an authorized Suzuki dealer for more information.

THE ULTIMATE FORMULATION

The secret of ECSTAR's outstanding performance is the optimal blend of oils, which is created through both theoretical and empirical analysis of Suzuki motorcycle engines from the stage of designing.

As ECSTAR is designed to match Suzuki engines perfectly, not only is the viscosity optimal and outstanding, but also other parameters such as wear protection achieve high value.

The correct choice for your Suzuki

Thus, ECSTAR oil has been exclusively designed for Suzuki engine and passed rigorous tests for performance, quality, durability, etc. We recommend to choose ECSTAR when you need to change engine oil for your Suzuki.

Grade Line-up

	COST SAVING ← HIGH PERFORMANCE →		
	MINERAL	SEMI SYNTHETIC	FULL SYNTHETIC
4-STROKE MOTORCYCLE ENGINE OIL	Aftermarket 10W-40 mineral engine oil	R7000	R9000

ECSTAR oil reveals highest performance. Our product line-up consists of 3 grades to all Suzuki users: R9000 is designed for those who desire high performance, R5000 for those who want to save money and R7000 for those who wish to keep balance on performance and costs.

R9000 FULL SYNTHETIC

Premium Engine Oil for Suzuki Motorcycles

- Excellent shear resistance protects the engine under severe conditions
- Smooth shifting performance
- Improves the engine response
- Direct feeling of the clutch engagement
- Suitable for catalytic converters

Typical Properties

SAE viscosity grade	10W-40
JASO	MA
API	SN
Quality	Full Synthetic

Sales Unit	Part Number
12 x 1 l	99000-22B56B001
1 x 60 l	99000-22B56-060
1 x 208 l	99000-22B56-208

R7000 SEMI SYNTHETIC

Multi-Use Engine Oil for Suzuki Motorcycles

- Improves shear resistance
- Helps protect the engine and gear box
- Improves the shift feeling
- Suitable for catalytic converters

Typical Properties

SAE viscosity grade	10W-40
JASO	MA
API	SN
Quality	Semi Synthetic

Sales Unit	Part Number
12 x 1 l	99000-22B57B001
1 x 60 l	99000-22B57-060
1 x 208 l	99000-22B57-208

Merchandise

ECSTAR LONGDRINK GLASS SET

990F0-ECGS1-000

Set of six longdrink glasses with ECSTAR logo.

ECSTAR EARPLUGS WITH CONTAINER

990F0-ECEP1-000

Motorcycle noise reducing foam earplugs, packed into handy travel keychain container.

ECSTAR MINI UMBRELLA

990F0-ECUM1-000

Suzuki ECSTAR branded mini umbrella with EVA case, glass fibre end tips, semiautomatic frame, 100% polyester.

ECSTAR COASTER SET

990F0-ECCS1-000

The perfect companion for your ECSTAR glasses. Six-piece set, made from durable PVC for long-term pleasure.

ECSTAR MC SERVICE KIT

990F0-ECKT1-000

Functional oil kit bag for storage underneath MC seat or in your tankbag. Contains an unfilled 250 ml oil bottle for your preferred ECSTAR engine oil, the ECSTAR silicone funnel and a pair of disposable gloves.

ECSTAR TEDDY

990F0-ECTD1-000

Plush, soft teddy wearing ECSTAR pullover. Sitting 19 cm high.

Suzuki's "Way of Life!" is the heart of our brand - every Suzuki vehicle, motorcycle and outboard motor is built to create excitement so customers can enjoy everyday life.
